SATURDAY 1st & SUNDAY 2nd APRIL 2017

2017 Ken & Ces Ditchfield Memorial Meeting

Celebrating Dirt Karting in WA!

LOCATION: Dirt Trackers Kart Club
375 Boomerang Rd, Oldbury, Western Australia

DATE: Saturday 1st & Sunday 2nd April 2017
Rain Date: 3rd April 2017

RACING FORMAT

SATURDAY

- **Hot Laps**
- **1x 3 lap qualifying session in a clockwise direction**
- **Heat 1 - Quickest Time to the Front 8 laps**
For classes with 21 or more nominations (oversubscribed classes) Group 1 will be the odd qualifiers (i.e. 1, 3, 5 etc.) and Group 2 will be even (i.e. 2, 4, 6 etc.)
- **Heat 2 - Reverse of Qualifying 8 laps**
For oversubscribed classes Group's 1 & 2 will remain the same, however grid positions will be quickest qualifiers to the rear.
- **Heat 3 - Highest Points from Qualifying and 2 Heats to the Front 8 laps**
For oversubscribed classes, this will be the 20 highest point scorers from qualifying, heat 1 and heat 2.

SUNDAY

- **Lucky Dog Round – Point Scorers 7 – 26 from qualifying & heats - 8 laps,**
Highest points to front. Winner & Second placegetter will start in positions 7 & 8 in the Top 8 Dash. Third placegetter onwards in the Lucky Dog Round will start the 2017 Ken & Ces Final in 9th Position. Only top 14 finishers in the Lucky Dog Round will go through to the final.
- **Top 8 Dash incorporating Ces's Challenge - 8 laps.**
 - The HIGHEST POINTSCORER (from qualifying, Heat 1, Heat 2 and Heat 3) can elect to either:
 1. Draw their starting position (could end up with position 1 to 6): OR
 2. Take up Ces's Challenge by opting to start out of position 6 in the Top 8 Dash. If you go on to win the 2017 Ken and Ces Final you will pick up a bonus \$200 in addition to the first prize set of tyres. Any driver brave enough to take up "Ces's Challenge" will run a special #6 on their kart for the Top 8 Dash and the Final, the same number Ces ran all those years ago.
 - POINTSCORERS 2 TO 6 (from qualifying, Heat 1, Heat 2 and Heat 3) will random draw for starting positions 1 to 6 (or 5 depending on if the Highest Point Scorer accepts Ces's Challenge) in the dash. Starting position 7 & 8 is the first two placegetters of the Lucky Dog Race.
 - The finishing positions in the Dash determine grid positions 1-8 for the 2017 Ken & Ces Final.
- **2017 Ken and Ces Final - 12 laps. Winner Takes all Final.**
Starting positions 1 to 8 will be finishing order of the Top 8 Dash. Starting positions 9 to 20 will be set by finishing orders 3rd to 14th of the Lucky Dog Race.

An example of the format for oversubscribed classes is shown further in the prospectus.

POINT SYSTEM

- 20-point system awarded for Time Trials, Heats, Lucky Dog, Top 8 Dash and Final.
- For the Lucky Dog, Top 8 Dash and Final, race placings will be based on the points of that particular race only. Point penalties for these races will be deducted from the race they were incurred and could alter the placings of that race accordingly.
